ARHM Code Compliance Inspectors/Consultants

The ARHM carries out Compliance Checks on its members in order to check on not only whether they are managing according to the ARHM's Code of Practice, but also to promote good practice and learn lessons for future good practice.

The ARHM is looking for people who are interested in carrying out Code Compliance Checks on its members.

The checks will focus on areas covered by the Association's Code of Practice and investigate the systems and working practices the member has in place to ensure compliance. We envisage the timescale to conduct a visit and produce a short report to a predefined format to be one working day.

Checks will be commissioned in blocks, the first of these in early 2012.

The fee will be £450 per check plus expenses.

If you are interested, please send a copy of your CV to Dorothy Uwota at enquiries@arhm.org.

Closing date for receipt of CV's will be Friday 21st January 2012.
