

ARHM GOOD PRACTICE NOTE

MODEL BUDGET AND ACCOUNTS

The ARHM's code of practice (Chapters 4 and 5) provides advice and best practice relating to budgets and accounts for members.

This note provides examples of how to set out a budget and statement of account based on good practice from members.

The forms of budget and accounts are not compulsory for members.

The ARHM encourages all members to include regular statements of account that include a balance sheet and show the position of reserves and the cash held in aggregate at the beginning and end of the accounting period.

The ARHM also advocates disclosure or any insurance commission is provided in the annual service charge accounts (Chapter 9 of the ARHM Code of Practice)

DISCLAIMER:

These notes have been prepared in the light of legislation and case law existing at the time of publication as a recommended procedure only. No liability can be accepted by the Association of Retirement Housing Managers for errors or omissions or for any loss or damage sustained by anyone acting in accordance with these notes. If the reader is in any doubt as to the application of these notes to particular circumstances they should consult a Solicitor.

Notes to Model Accounts

The manager should sign and date the balance sheet.

The leases may also include a requirement to certify or provide a certificate to the accounts and the manager should incorporate the correct wording when the balance sheet is signed.

You should include a note to the accounts if a designated bank account is held. This note should include the following information:

- The name of the bank account;
- The account number;
- The name and address of the bank;
- The rate of interest earned; and
- The withdrawal period on the account

Other notes to the accounts may be added at the discretion of the manager.
